Action in Muskogee (AIM) – A Community Planning Event to Begin August 28

The Community is invited to attend a community planning event with the first session on August 28. A light meal will be served from 5:00 p.m.-5:30 p.m. and the session will run from 5:30 p.m. to 7:30 p.m. at the Muskogee Civic Center. We encourage you to attend to let your voice help determine the course of action for Muskogee. The planning event is a project of the Muskogee City-County Port Authority to develop a community inspired implementation plan with accountability to improve Muskogee.

There is no cost to attend, and the dinner for the first session is sponsored by OG&E. It is not necessary to RSVP although that would be appreciated. The revitalization of great communities such as Oklahoma City and Tulsa began with this approach. It is time for action in Muskogee. Help determine your future.

For more information or to RSVP, call 918-682-7887 or email joyce@muskogeeport.com. Bring a friend. Don't be left out of Muskogee's future.
